### Help

Received: submitted Reviewers invited.

### Details of Manuscript Comments Event:

Every 10 minutes (indicated in parentheses after the word) of comments made by different commenters about a manuscript in **WORLDWIDE** (GATE) project page will unlock a chapter release within the week. If this milestone is met by multiple users, we are allowed a period of 1 week between each user release if something strange happens to us. Project page tell where the chapters are being set.

**WORLDWIDE** (GATE) Milestone numbers can be changed whenever we want and will be added in the second number of the current status. Once a milestone is met, it will refresh back to zero. This is your chance to get a release of your favorite content.

### Current Status:

Artist: Whiter (20), Friend: James (27), Chapter of Research (20)

The Border of the Abyss (10), Above the Cloud Nine (15), Nine Jio (30)
